ALUMINUM TEMPORARY DRAIN DECK AND STEM

TECHNICAL INFORMATION SHEET

Description et applications

Les drains temporaires en aluminium Millenium constituent une solution légère, économique et polyvalente pour l'évacuation temporaire des eaux sur les toitures. Fabriqués en aluminium filé d'une seule pièce, ils sont offerts avec plateau plat ou plateau en entonnoir selon le modèle. Ils conviennent aux travaux temporaires, aux projets de réfection ainsi qu'à certaines applications de construction neuve.

Caractéristiques techniques — MODÈLE EAFUN-275

- 1 piece spun aluminum drain
- Available in 2 ¾" and 3 ¾" stem diameter
- Designed to fit drain seal inserts
- 14.38" wide deck
- 12" long drain stem
- 1/16" aluminum material thickness
- Boxed 5 per box
- Ideal economical temporary drain

Caractéristiques — EAFLAT 275

- 1 piece spun aluminum drain
- Available in 2 ¾" stem diameter with either Flat deck or Funnel deck
- Also 3" EA-300 and 4" EA-400 sizes available in Flat deck style
- Designed to fit drain seal inserts
- 15.38" wide deck
- 6" long drain stem
- 1/16" aluminum material thickness
- Boxed 5 per box
- Ideal for either retrofit or new construction applications providing a watertight seal with varying sizes of roof anchors from 1" through 4.8" diameters

Millenium Quality

Millenium temporary aluminum drains are manufactured under rigorous quality control procedures using premium-grade aluminum alloys. Every component is engineered to provide outstanding corrosion resistance, excellent dimensional stability, and long-lasting performance for commercial, institutional, and industrial roofing applications.

Why Choose Millenium

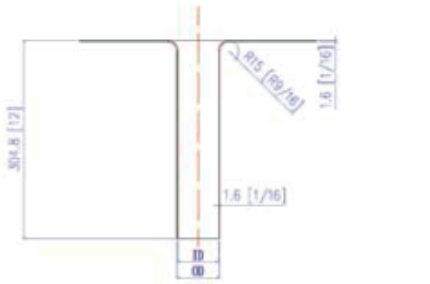

- Premium-grade aluminum construction.
- Lightweight yet rugged design.
- Fast and cost-effective installation.
- Compatible with a wide range of existing roof drain configurations.
- Superior corrosion resistance.
- Reliable performance for both retrofit and new construction projects.
- Technical support provided by experienced roofing system specialists.
- Engineered and distributed to meet the requirements of architects, engineers, contractors, and building professionals.

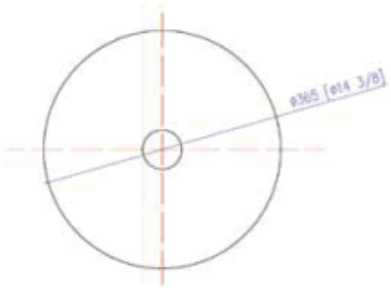

Millenium Warranty

Millenium provides a limited ten (10) year warranty against manufacturing defects in materials and a limited one (1) year warranty on painted finishes, where applicable. This warranty does not cover damage resulting from misuse, unauthorized modifications, improper storage, abuse, or installation that does not comply with Millenium's published installation recommendations.
