ACCESSORY

MILLENIUM PLUS COPPER ROOF DRAIN

PRODUCT INFORMATION

Dome

- Heavy-duty cast aluminum vandal-resistant dome, painted in Millenium color, with a two-piece hinged closure.
- Easy-maintenance design with a single Phillips screw.
- Full-opening cover, 165 mm (6½ in.).
- Four-bolt model for easy installation.
- Compatible with the Millenium flow control regulator.
- Can be used with the Millenium Drain Dome Indicator to quickly locate roof drains covered by snow or ice.

Drain Flashing and Sleeve

- 24 oz (1.2 mm / 0.05 in.) copper up to 76 mm (3 in.); 1.5 mm copper for 127 mm (5 in.); 2 mm for 152 mm (6 in.).
- Argon-welded metal with lap joints for clean, durable welds.
- 3/8 in. (9.3 mm) stainless steel bolts TIG welded to the copper flashing.
- Compressible gasket sizes: 44 mm, 70 mm, 95 mm, 120 mm and 146 mm.
- Clamping collar sizes: 50 mm, 76 mm, 102 mm and 152 mm. Flashing width: 18 in. (457 mm).

Complies with CSA B79 requirements and the Association des maîtres couvreurs du Québec (AMCQ).

Warranty

Lifetime warranty on material components against manufacturing defects for the service life of the roofing system, plus a one (1) year warranty on the paint finish. Exclusions include misuse or improper installation.

Benefits

- Protects roof drains and downpipes against blockages with a heavy-duty cast aluminum vandal-resistant dome.
- Protects strainers from damage caused by ballast.
- Reduces maintenance costs. No special maintenance required.

Why Choose Millenium

Millenium products are engineered to meet the requirements of architects, engineers and building managers by delivering performance, durability and ease of installation.
