Millenium Warranty

Millenium provides a limited ten (10) year warranty on materials against manufacturing defects and a one (1) year warranty on the paint finish, where applicable. This warranty does not cover damage resulting from misuse, product modification, or installation that does not comply with Millenium's installation recommendations.

Millenium Quality

Millenium copper roof drains are manufactured under rigorous quality control processes to deliver long-lasting performance, outstanding corrosion resistance, and reliable installation. Every product is engineered to meet the requirements of architects, engineers, and building professionals.
