Millenium Warranty

Millenium provides a limited ten (10) year warranty on materials against manufacturing defects. This warranty does not cover damage resulting from misuse, product modification, or installation that does not comply with Millenium's installation recommendations.

Millenium Quality

Millenium copper roof drains are manufactured under rigorous quality control processes to deliver long-lasting performance, outstanding corrosion resistance, and reliable installation. Every product is engineered to meet the requirements of architects, engineers, and building professionals.

Customer Testimonial

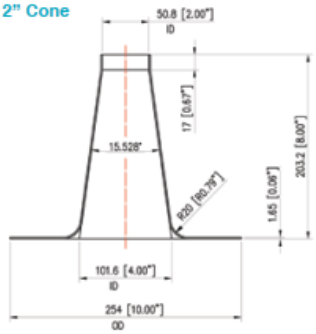

"I've been around the commercial roofing industry for more years than I remember and never have I seen products like Millenium drains and vent stacks. Our 2023 tear drop demo, kick them and they are tough and precision made. Every application is a breeze to install, they install and work flawlessly and they save me big dollars. Am I ever glad to see a supplier like Millenium Roofing here today and here to stay."
